

OUR GLOBAL FAMILY 2025

MISSIONS

Meet our SMCC Global Family!

Shadow Mountain Community Church has over 200 missionaries serving in 36 countries around the world. These missionaries serve in vastly distinct cultures and varied roles. They use Bible translation, church planting, aviation, education, ESL, media, music ministry, support and member care, and youth ministry to reach hearts for Christ. Some of our missionaries also serve in restricted countries, where they are unable to share their ministry publicly, while others can share the Gospel and pursue the lost openly.

We invite you to pray for our missionary family and use the following pages to learn about both our missionaries and their unique ministries. One way you can pray is by reading about a missionary each day with your family and praying for them. Our SMCC Missions department also publishes a monthly Prayer & Praise guide listing specific prayer requests and updates from each of our missionaries. To view the Prayer and Praise guide, please visit www.shadowmountain.org and view the Missions page.

If you'd like to get to know our missionaries better, please feel welcome to contact them using their provided email address. For more details about missionaries serving in a restricted contact, please contact our Missions Office.
